PROFESSIONAL SUMMARY

Frontend Developer with **3 years** of experience in building responsive and scalable web applications using React, Redux Toolkit, and TypeScript. Focused on clean architecture, performance optimization, and delivering reliable UI solutions in production environments.

SKILLS

Languages : JavaScript, TypeScript, Java
Frontend : React.js, Next.js, Redux Toolkit, React Query, Tailwind CSS, HTML5, CSS3
Testing : Jest, React Testing Library
Tools : Git, Docker, CI/CD, Postman, JMeter

EXPERIENCE

Programmer Analyst – Meditab Software Pvt. Ltd.

Jan 2023 – Present

Ahmedabad, Gujarat

- Developed and maintained the **Meditab Employee Management (MEM)** internal HR platform using **React, Redux Toolkit, TypeScript, Context API** and **Tailwind CSS**.
- Implemented optimized state management and API integration using **Redux Toolkit** and **React Query**, reducing redundant network calls by **30%**.
- Enhanced performance and reusability by modularizing UI components and applying lazy loading, improving dashboard load time by **25%**.
- Collaborated with UI/UX and QA teams to deliver a **responsive, accessible**, and scalable product used daily by **2000+ internal employees**.

Software Developer Intern - Tatvasoft Software Pvt. Ltd.

Jun 2022 - Dec 2022

Ahmedabad, Gujarat

- Built features for an e-commerce book-selling platform using **React.js, TypeScript, .NET**, and **PostgreSQL**.
- Integrated APIs for shopping cart, payments, and order processing.

PROJECTS

Open-Mart E-Commerce Platform

React, Redux Toolkit, React Router, REST APIs

- Developed a fully responsive e-commerce web application for kids toys with product listing, variant selection, cart, and checkout flows.
- Implemented global state management using Redux Toolkit to handle cart, authentication, and product persistence across routes.
- Integrated secure API communication for product catalog, order creation, and payment validation.
- Optimized UI performance through lazy loading, memoization, and code-splitting to reduce load time.

EDUCATION

L.D. College of Engineering

2019 - 2023

Bachelor of Engineering (CGPA: 8.06)

Ahmedabad, Gujarat

LANGUAGES

English, Hindi, Gujarati
